## HOLIDAY HOMEWORK 2025-26

### TOPIC : UNDER WATER

The background of the entire image is a vibrant underwater scene featuring a variety of colorful coral reefs in shades of pink, purple, and blue, set against a deep blue ocean backdrop. The coral structures are diverse, including branching and columnar forms.

Dear Parents,  
Warm Greetings !

This year, we carry forward our endeavour to work and support UNttDGs. The students are expected to work on projects and activities designed on the selected goal- Life Below Water, which will keep them engaged in creative and fruitful pursuits during the summer break. The HHW will not only give an insight into some of the prevailing issues which need timely addressal, but also provide an opportunity to make sincere efforts to ensure sustainability and prosperity for the future. Each student is expected to undertake all the activities assigned in the holiday homework. The assigned work is to be done as per the instructions given at the end of each HHW activity.

**NOTE: HOLIDAY HOME WORK  
SHOULD BE SUBMITTED IN A  
FOLDER BY 1<sup>st</sup> of JULY.**

WHAT'S BELOW THE  
WATER LET'S FIND  
OUT!

# ENGLISH

.Dear students,

we know your love for readings books, especially comics. So as part of a fun and stress-free Holiday Homework, we are sharing below a link for an amazing Comic Strip.

Annie Sun beam English (yumpu.com)

After reading this comic, students are required to create a little WALL hanging of their own, developing on the theme of 'Life Under Water'.

Ocean life can be shown with the help of stickers , drawings, and other creatives with images of sea animals and plants.
