CLASS – IV  
(2025-26)

## Holidays Homework

CLASS IV

THEME- SDG-7: Affordable and Clean Energy

Goal 7 aims to make sure everyone has access to clean, renewable, and affordable energy. Energy plays a big role in improving everyday life—it powers schools, hospitals, farms, businesses, and even how we travel and communicate. Without it, communities can't grow or thrive. That's why reaching this goal is so important for a better future.

Summer Vacation is probably the best time of the year for you all; it's time for loads of fun. School is fun too, with learning happening at all times, summer vacation can also be a time for learning with lots of activities around.

This summer break, try and make a difference.

"Every action is important and every deed is vital..."

Wishing all the students a joyful learning and Happy Holidays....

## General Instructions
