**CLASS - I**

We at KPS are delighted to celebrate our 50th anniversary—a year where we will honor the traditions of the past, while celebrating what the future will bring for, guided by our strategic vision.

Our theme for the year, “Sustainability” will be a guide for all of our activities throughout the year. Through various engaging activities we will embark on a journey of exploration, unraveling the mysteries of nature and uncovering the interconnectedness of all living beings.

The year-long celebration commencing from April 2024 to March 2025, promises to create a more sustainable and harmonious world

This newsletter of class - 1, showcases various hands on learning activities & highly innovative and creative ways of celebrating the special days and celebrations sustainably with our little KPITes.

### \*Founder's Day\*

Founder's Day celebration typically revolves around honouring and commemorating the vision, contributions and legacy of the school's founder's. It is an occasion to reflect on the values and principles on which the school was established, celebrate achievements and inspire the school community to carry forward the founder's vision into the future.

On this day students were asked to make trophy shaped cutouts for celebrating 50th Golden Jubilee Founder's Day and also gave them goodie bags as a token of love and remembrance as take aways.

# Structured Fun-Filled Activity

# ARTICLES - a / an

An article is a word that comes before a noun and describes it. The indefinite articles "a" and "an" tells that the noun is not talking of any person or thing in particular.

A fun filled activity was conducted in the class with the students of class I. Article "a" and article "an" activity aims to support the first letters which begins with vowel and consonant sound development by demonstrating the words that can be made with the letters. Students were able to recognize the words and placed them according to their correct articles a / an. Concept of articles became very clear and students enjoyed doing the activity.
