

Academic Session 2026-2027

Date Sheet for Assessment - I

Classes: PP I & PP II

DR. ONIKA MEHROTRA

Dear Parents,

The first Assessment for the session is approaching, and this is the time when our young learners need encouragement and support from both school and home. Examinations are not just a test of knowledge, but also a way to develop habits of regular study, discipline, and responsibility.

We request you to kindly guide your child in revising lessons daily, completing assignments on time, and maintaining a healthy routine with proper rest and nutrition. Your motivation and reassurance will help the children face exams with confidence and positivity.

Together, let us make this examination period a smooth and enriching experience for our children. With your support and their sincere efforts, we are confident they will perform to the best of their abilities.

With warm regards and best wishes,
