

English Worksheet

Section-A (Reading)

Q1. Read the passage carefully and answer the following questions

Milo was a small rabbit who lived in a beautiful green forest. He loved hopping around and eating sweet grass. One sunny morning, Milo found a giant orange carrot sitting right next to a blue river. He jumped with joy! However, when he tried to pull the carrot, he realized it was much too heavy for him to lift alone.

Instead of giving up, Milo thought of a clever plan. He called out to his fast friend, Buzzy the Squirrel, who was eating nuts on a nearby tree. Together, the two friends pushed and rolled the giant carrot all the way back to Milo's cosy home underground. Milo shared the delicious food with Buzzy, and they both happily ate together

Questions

1. Where did Milo the rabbit live?
2. What did Milo find near the river?
3. Why couldn't Milo take the carrot home by himself?
4. Who helped Milo move the giant carrot?
5. Find a word in the passage that means the opposite of "light."
